

KIDS'

DANCE CARAVAN

Academy is offering a unique dance and performance program for both boys and girls ages 2½ thru K. The once a week class will be a combination of modified tap and hip-hop for boys (minimum 3 boys for class). The girl's class will consist of ballet, tap and jazz. The fall session will be from September to the December recital and will cost \$145.00. (The first week of class a brochure will be sent home with more information including what to wear for class.)

Your child will perform in a dance recital in December. The shows are a wonderful self-esteem booster and a great experience. We provide the costumes at no charge! Cameras and video recorders are welcomed.

GOAL

Dance is an education in itself. It teaches poise, coordination, grace and charm. It also teaches children to get along with others and to overcome shyness.

While we may be starting the career of a prima ballerina or a Baryshnikov, our primary objective is to have your child be able to get in front of an audience and afterwards, feel great about themselves. This experience will not only help them perform for their dance audience but also, any future audience, whether it is a speech or a school play.

If our program does not work for your child, a refund is given. You lose nothing by giving it a try.
